Alastin Canada partners with AMNI clinics

– bringing Alastin’s pioneering procedure support, daily skincare and exclusive offerings to you and your patients!

If your clinic offers aesthetics, EBD/laser treatments, body contouring, surgical and non-surgical procedures, RF Microneedling, has an aesthetic, dermatological or surgical focus, then Alastin Skincare is right for you.

Effective October 10, 2024, all AMNI clinics, will automatically receive:

- 15% in free goods on every purchase of Alastin Skincare, over \$1500.
- Exclusive AMNI educational webinars
- Access to a Staff Loyalty Program, with 20% off wholesale
- Business support and sell-through promotions to package with devices and treatments

Alastin Skincare uses proprietary peptide TriHex Technology™ to clear the ECM and stimulate collagen and elastin formation. A premium medical-grade skincare line, Alastin aids in improving and complementing patient outcomes after cosmetic treatments and with daily use. With an industry-leading 45+ peer-reviewed, published clinical studies, Alastin is rigorously tested using gene expression, biopsies and other scientific testing methods, ensuring confidence in results.

Suitable for all skin types, Alastin Skincare’s offering includes professional backbar formats, targeted daily skincare and 2 impressive SPF options. Well-tolerated, Alastin’s AE rate is 0.04%. Alastin is best-known for supporting and enhancing patient treatment protocols. Our hero product, Skin Nectar contains no water, no preservatives and is safe for ablated and compromised skin, directly post-procedure.

**Medical
Mart**

Together Improving Lives

Central to the agreement, Medical Mart has developed a comprehensive and multi-faceted supply agreement which provides members with *customized and discounted pricing on the 100 most-used products*. They offer lowest price guarantees, inventory control assistance and usage reports, product repair and inspection assistance, product standardization, support materials, pandemic supplies and storage, product and procedural education and sampling, as well as flexible logistical solutions which includes capital equipment set-up, installation and training and finally, access to the Medline | Medical Mart 0% Financing program

For more information on the product list and to maximize the opportunity, we encourage you to reach out to Rob Charlton, National Sales Manager, or your Medical-Mart sales representative directly.

Rob Charlton

National Sales Manager

rcharlton@medimart.com

Through our negotiations, we have been able to secure very competitive pricing on a wider range of products for your office/clinic. And though Office Central has a comprehensive catalogue with over 30,000 items, we have agreed on preferred pricing for the top 250+ products used in most clinics. The list of products, including AMNI pricing, is provided to all Members upon request.

A few key elements for your consideration:

- Next day delivery to GTA, and across teh 401 from London to Coburg; most all other delivery is within 48hrs
- 5PM ET is cut-off time for next day delivery
- \$50 Minimum order requirement
- No shipping fees!
- Order by phone, fax or online
- All major credit cards accepted
- Quick and easy to setup an account
